

City of Fresno, CA

Assistant Director of Transportation

THE COMMUNITY

The City of Fresno, California is located in the fertile San Joaquin Valley. From the agricultural fields on the valley floor, to the snow-capped peaks of the Sierra Nevada mountain range, the Fresno area offers something for everyone. With a population of approximately 520,000 residents, Fresno is the fifth- largest city in California and serves as the financial, industrial, trade, and commercial capital of the central San Joaquin Valley.

Traveling from Fresno to other major metropolitan and recreational areas in California is easy; the City is located approximately four hours north of the Los Angeles basin and three hours south of the San Francisco Bay Area. Residents and visitors enjoy Fresno's close proximity to the Yosemite, Kings Canyon, and Sequoia National Parks and other sites of natural beauty, such as the majestic Sierra Nevada Mountains and the Pacific Ocean. The Mediterranean climate in Fresno allows year-round recreational activities including sailing, snow and water skiing, fishing, backpacking, and golfing.

Many consider Fresno to be a community of the perfect size, offering the best of urban amenities and opportunities, along with the unique charms and easy living of a smaller town. Residents enjoy a wide variety of social, cultural, athletic, educational, and recreational activities in an affordable and clean living environment.

The Fresno area offers four large school districts, Fresno Unified, Central Unified, Sanger Unified, and Clovis Unified. The community is the home of California State University Fresno, as well as a number of other colleges and universities. The current median home price in Fresno is approximately \$250,000.

CITY STRUCTURE

Fresno is a full-service charter city operating under a strong mayor form of government. There are seven Council Members. The Council appoints the City Attorney and the City Clerk. The Mayor is elected at-large and does not serve on the Council but has veto power over certain actions taken by the City Council. The City Manager, who is appointed by the Mayor, is responsible for appointing all other department heads in the City, including Airports, Development and Resource Management, Finance, Fire, Information Services, Parks and Recreation, Personnel Services, Police, Public Utilities, Public Works and Transportation.

THE DEPARTMENT

The Transportation Department is comprised of two divisions. The Fresno Area Express division provides fixed route and para-transit demand response service 363 days a year. The Fleet Management Division provides comprehensive vehicle, equipment and supply services to the City departments and other entities. The Department has a 2018 budget of \$135 million (\$57 million for FAX operations, \$41 million FAX capital, and \$37 million fleet operations). A comprehensive capital asset and facilities assessment study is guiding the Department through a maintenance and replacement plan.

The City is in the midst of completing construction of Bus Rapid Transit (BRT) which will increase service level on our busiest transit routes. BRT represents an investment of over \$56 million and will be a 15.7 mile transit line connecting Blackstone and Kings Canyon/Ventura, both major corridors, to Downtown Fresno. This continues the City's commitment to revitalizing the City through smart and effective land use planning that improves the quality of life not only for those major transit corridors but all of Fresno. The 2035 General Plan provides that blueprint via a development code that provides more options for businesses and investments along transit corridors and the surrounding neighborhoods.

THE POSITION

The Assistant Director of Transportation assists in the planning, direction, organization and review of the assigned operations. In this at will capacity the incumbent exercises judgment and discretion in the administration and direction of an assigned group of operating divisions. The Assistant Director is responsible for the oversight of daily operations and may, in the absence of the Director, assume those duties. In addition, the Assistant Director is responsible for tactical level planning related to strategic plans and policies and develops operational goals. Incumbents act as a technical advisor to the Director and the City Manager and attends meetings of the City Council, boards, commissions, and committees. The Assistant Director participates in the preparation and administration of the Department's annual operating budget and works with the City Manager regarding current and anticipated City and departmental needs, prioritization of those needs, and the feasibility of alternative approaches to meeting them. The Assistant Director is expected to facilitate and coordinate activities with other departments within the City of Fresno, as well as outside agencies.

This Assistant Director position will be responsible for the City's transit, public safety and municipal fleet divisions, as well as the Transportation Department's facilities and capital projects. The three Maintenance divisions are responsible for the maintenance of over 2000 units including transit buses, refuse trucks, police vehicles, fire apparatus and a multitude of other equipment. The selected incumbent will also manage a large portfolio of capital projects, which include construction, new vehicle technology and IT infrastructure. Current projects include the 56 million dollar Bus Rapid Transit (BRT) Project, renovation of major transit centers, electric bus and various other improvements to the system and the Department's facilities.

THE IDEAL CANDIDATE

The City is seeking a service and solution oriented person with excellent leadership skills that understands fleet and facility maintenance systems and the impact delivery of service to the community. The person should have solid history of delivering complex projects on-time and within budget. An innovative manager who understands how multi-disciplinary collaborative efforts enhance the ability to provide best in class service will do well in this position. The ideal candidate will have a record of straightforward and open communication and a willingness to make effective decisions within the parameters of the position, as well as the ability to effectively manage conflicting perspectives.

The Department Director is seeking an Assistant to serve as a key member of the Department's executive management team, recognizing this position is a vital element that works together with others to support the Mayor and Council's vision for the City of Fresno. A candidate with a strong record of collaborative work with internal and external stakeholders would be highly valued, as the Assistant Director must be able to develop positive relationships with staff, other City departments and a number of other agencies. The Assistant Director must have excellent written and verbal communication skills and the ability to prepare clear, concise, and comprehensive reports, records, and other written materials for a variety of audiences.

A background that includes a Bachelor's Degree (Master's preferred) in Business Administration or Public Administration from an accredited college or university or degree and five years of progressively responsible experience in managing a large transportation/maintenance department (or an equivalent operation) may be considered qualifying for this position. Experience in vehicle and/or facilities maintenance, project management and construction are highly desirable. Strong computer skills are also needed.

Additional qualifying experience may be substituted for the education on a year-for-year basis, up to a maximum of two years. This position also requires the possession of a valid California Driver's License.
